The ABC shall be the upper limit or ceiling for acceptable bid prices. If a bid price, as evaluated and calculated in accordance with the Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184 [Government Procurement Reform Act], is higher than the ABC, the bidder submitting the same shall be automatically disqualified. There shall be no lower limit or floor on the amount of the award.

Bidding will be conducted through open competitive bidding procedure using a non-discretionary "pass/fail" criterion as specified in the IRR of RA 9184. All bids must be COMPLETE. Partial bids shall be considered non-responsive and, thus, automatically disqualified. In this regard, where a required item is provided, but no price is indicated, the same shall be considered as non-responsive, but specifying a "0" (zero) for the said item would mean that it is being offered for free to the CGPP.

Bidding is restricted to those specifically enlisted under **Section 23.5.1.1** of the IRR of RA 9184.

All particulars relative to Eligibility Statement and Screening, Bid Security, Performance Security, Pre-Bidding Conference, Evaluation of Bids, Post-Qualification and Award of Contract shall be governed by the pertinent provisions of Republic Act 9184 and its Implementing Rules and Regulations (IRR-A).
